

National Preparedness Month

Week 1: September 1– 7

How to... Reconnect With Family After a Disaster

Can you  these items off?

- Make a family emergency communication plan.
- Know how you will contact family and friends before, during and after a disaster.
- Register and practice your preparedness actions plan on or around the National PrepareAthon! Day-September 30th, 2014 by visiting: www.ready.gov/prepare

September is **National Preparedness Month** which is geared towards building awareness and encouraging Americans to take steps to prepare for emergencies.

The **Kidney Community Emergency Response (KCER)** Program is providing preparedness links and resources during September so that you can get prepared. During **September 22nd -26th, Kidney Patient Disaster Awareness Week**, KCER will feature ESRD-specific preparedness tips. Please share!
