

## National Preparedness Month

Week 2: September 8– 14

### How to... Plan for Specific Needs Before a Disaster

Can you  these items off?

- Understand your specific emergency preparedness needs
- Plan for disabilities, access, and functional needs
- Register and practice your preparedness actions plan on or around the National PrepareAthon! Day-September 30th, 2014 by visiting: [www.ready.gov/prepare](http://www.ready.gov/prepare)

September is **National Preparedness Month** which is geared towards building awareness and encouraging Americans to take steps to prepare for emergencies.

The **Kidney Community Emergency Response (KCER)** Program is providing preparedness links and resources during September so that you can get prepared. During **September 22nd -26th, Kidney Patient Disaster Awareness Week**, KCER will feature ESRD-specific preparedness tips. Please share!
