

Renal Support Network (RSN) HOPEline Peer Support Hotline

The Renal Support Network (RSN) offers monthly Support Group meetings for people who have kidney disease and their family members on the 4th Sunday of each month (excluding some holidays) from 2:30 to 4:30 p.m. PT. at Studio Hope at 621 East Glenoaks Blvd. #B, Glendale, CA 91207. Email the RSN at info@rsnhope.org with any questions. RSN orders an assortment of drinks, sandwiches and desserts for attendees.

HOPEline Peer Support Hotline

However, if going to RSN's physical location to participate in a support group is not an option for you, the RSN also offers the RSN HOPEline, which is a Peer Support Hotline that is confidential and toll-free.

RSN HOPEline is ideal for people with chronic kidney disease or a family member or caregiver who doesn't know what to expect. The HOPEline lets people connect with another person who has lived successfully with kidney disease and can share their experience, strength and hope about what they have done to successfully navigate their illness.

Call (800) 579-1970 from 10:00 a.m. to 6:00 p.m. PT to connect with someone who can offer experience, strength and hope.
